Re: United States v. Jameik Evans, et.
Case No. 22-cr-174-VM
Request for Extension of Curfew

Dear Judge Marrero:

I am Counsel for Jameik Evans.

Your Honor, the defendant, Jameik Evans is currently under supervised release and electronic monitoring and a 9:00 pm curfew. Mr. Evans has been compliant, with pre-trial services throughout the pendency of this case.

With consent of pre-trial services Mr. Evans through his counsel is requesting that his curfew be extended on August 15th, 2022, to appear at a business event. The event consists of Mr. Evans sponsorship from a record label, that requires Mr. Evans appearance.

The location of such event will be held at 23-66 Steinway Street, Queens, NY 11105. Mr. Evans is humbly requesting that his curfew be extended from 9:00 pm – 4:00 am on that day.

Mr. Evans, is in jeopardy of losing this once in a lifetime business opportunity if he does not attend this specific event. The record label interested in Mr. Evan's is losing interest because of Mr. Evans inability to appear at any of their events.

The purpose of this event, is strictly business for Mr. Evans, and he is humbly asking for this Honorable Court to grant such modification.

Thank you, Your Honor, for your consideration.

Very truly yours,

/s/ Nicholas Dayan
